

ST. MARY'S CHURCH

NEWCHURCH-IN-PENDLE

The Public Meeting with representatives of United Utilities was well attended by Roughlee-ers and neighbouring villagers. Assurances were given that any individual problems would be dealt with quickly and this has already been proved. Pointing out problems does have an effect, so if there are any issues please direct them to the Parish Council or your Borough Councillor.

In contrast to last year, the Duck Race was held after a day of rain and the increase in water level made for an exciting finish! Causing much embarrassment, the winning ticket was won by County Cllr. Shelagh Derwent, who just five minutes earlier had set them off in the first place!

The evening ended with an excellent steak and salad bbq. A valuable £500 was raised to continue the renovation work at the Village Centre; coming soon after the news that we had been awarded a further £4000 grant. Plans for the new kitchen have now been kindly drawn up by villager Geoff Hook and these will be available for comment at the next Second Friday meeting.

Following the publicity for the Luncheon Club we have recently had visitors from Fence who had booked the 'demand-response' Wayfarer bus for their round trip. They have returned, so must have enjoyed it! We are still keen to attract people from Barley & Newchurch, as well as newcomers from Roughlee itself. Held every Thursday, simply phone 661103 to book yourself in. At just £3.30, the food's good and everyone is given a warm welcome.
