### Village Hall

Now that work has been completed on the upstairs room including the beautiful oak panelling, John Conner intends to get the circuit training/ keep fit group back and up to speed!

If you are interested in a daytime keep fit let John know this could start quite soon.

Our "At Home" afternoon on Sunday 21st May to show off our improvements was a great success despite the weather. A number of local people and representatives of various funding groups were able to take a guided tour, see displays by some of the groups using the hall and enjoy the free cream tea.
