## Barley Parish Council

The UKA British Relay Fell Race held on October 17 was a big success for Clayton Harriers - the organisers. It attracted over 900 runners, the biggest race starting from the village for years. The organisers had consulted with the Parish Council on managing traffic and parking and the feedback from residents and businesses was that it went well and caused no significant problems. Well done Clayton Harriers. Calder Valley, Pudsey & Bramley and Dark Peak took the podium of the 147 teams taking part in the relay.

Meets on Wednesdays at 7.30pm in Barley Village Hall. Next Meetings: November 11 & December 9.

Oh....and Burnley beat Rovers again.

## GOLDSHAW BOOTH PC

Residents were granted permission to hold a bonfire on the playing field on Saturday November 7 at 6pm on the top field. Council agreed as long as there is no alcohol or fireworks, to fasten the swings back securely and tidy the site after the event.

We have had complaints about dog fouling on the playing field; signs have been erected in the hope that dog owners will take note. There are three receptacles on the field.

A request has been made by residents for parking bays on Spenbrook Road opposite Gorrell Close. This will be an agenda item for the next meeting. Kathleen Wilkinson

Meets on Tuesdays every month at 7pm in Newchurch School.

Next Meetings: November 10 & December 8

## ROUGHLEE

First, we start with an apology for not mentioning the success that the Hartley family had, once again, in the Best Kept Competition. They were worthy winners of the Caravan Park section so a belated congratulations to them! The village has four events to look forward and the different teams are working hard. We have a **Witch-Wines** event on November 7 and there may be space if you're quick! Tickets £10 from Glen 07849 774438. Tickets for the Roughlee Ball are selling well and it promises to be the best

ever. The following Sunday, December 6, we are holding our Festive Fare in the Marquee and the Parish Council Seniors (over 60) Lunch is on Tuesday December 15. Invites will follow but please phone Martin ☎ 691482 if you've just moved into that age band!

## St. Mary's School

Years 3 & 4 visited the Science Museum. Year 5 enjoyed a science celebration and art day at Barnoldswick Primary School. They made moon buggies, decorated canvas frames and joined in with a robotic dance routine!!! The whole school enjoyed another visit from the Kinetic Science Theatre Group with their performance 'The Bunson Towers Mystery'. Lee Hudson and Charlie Rothwell represented school at a Celebration of Reading event at Burnley Football Club. Here's what they thought: "We went to a reading celebration and met Steve Hartley, the author of some of the coolest books around!! We made playdough characters and masks of our favourite book characters. We loved this day because it was inspiring and fun!" Lee Hudson  
At the Year 5/6 CVL football tournament at Pendle Vale the children came out fighting fit and ready to score goals! The first match was almost a win but ended as nil-nil draw; however the following 5 matches saw a defeat. Despite our loss, the children were not deterred and displayed, as always, excellent sportsmanship to the other teams. Well done to all the children involved and thank you to the parents who came to support our team. We look forward to the next match; let's hope the weather is kinder to us next time! Our school has held two fund raising events on behalf of MacMillan Cancer Support: Coffee afternoon £125 Dress green day £60
