Your official monthly update from the Pendleside communities of Barley, Newchurch, Roughlee, Sabden Fold & Spenbrook.

Barley Parish Council

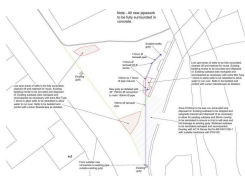

Turning Circle, LGR, Pendle Inn wall, Quiz & Curry night (14 Nov)...

The PC's planned improvement works on the Turning Area to reduce standing water after rainfall has taken a step forward with the appointment of a contractor. The work will include drainage, relaying stone setts, and macadam resurfacing at the access

bridge which will improve the appearance of the area.

Construction drawings, supporting documents and the tender process are now complete leading to the appointment of a local contractor, Hendon Civils Ltd, from Burnley. The works, as shown below in the design drawing, are programmed to start mid-October and last three weeks.

From the above drawing you can see that two gullies will be installed at low spots with associated drainage pipes; and the shaded areas are where existing stone setts will be adjusted in level. Pendle BC will be part funding the project. More information will be provided for

residents nearer the start date.

You might have heard that the Government has this month announced a review of its local government reorganisation programme in Lancashire to make sure the process is robust, legally sound and aligned with its priorities. At present, there is no set timetable for the review although it has been described as 'rapid'. Notably, local elections in 2027 will go ahead on existing Council boundaries (and not on the boundaries of the proposed new Unitary Councils). This means the future is uncertain, and until a final decision is made, many things will be left hanging. Let us hope this will urge the government to conclude the review promptly and provide clarity for councils and communities.

You might have noticed that part of the boundary wall outside the Pendle Inn had partially collapsed creating a hazard for residents and motorists and an unsightly image of the village centre. The Council brought the matter to the attention of the pub, and we were pleased that the new manager responded promptly to arrange a repair. Finally, I would encourage as many residents as possible to attend the Village Hall Quiz and Curry night on 14 November. It is always a good night and a great fundraiser for the Village Hall.

Football Tournament, Bonfire (5 Nov), Speeding Survey, Neighbourhood Watch, Info Boards...

A fabulous afternoon was enjoyed by all at the Annual Goldshaw Booth Football Tournament. The rain largely held off and a good crowd watched four nail-biting matches which saw Sabden Fold successfully defend their title to be crowned the

2026 Champions! Our volunteer catering team did a great job with the BBQ, courtesy of event sponsor Anthony Dawson Estates, and we would like to thank everyone who organised, supported and participated in the event.

This rounded off our series of Spring and Summer community wellbeing events for this year, which included Jog in the Park and Tai Chi and we are now looking at activities for next year, under the theme of 'Community Spirit', so please do get in touch if you have any ideas.

Looking ahead to Autumn and Winter, we are pleased to announce that we will be providing hot suppers at both the GBPC Bonfire on Thursday 5th November and at the Christmas Light Extravaganza Switch-on and Santa's Grotto on Saturday 5th December, thanks to the ever-popular Debs Mousley! Councillor Frank Shiers is holding a history event: 'One Hundred Years of Goldshaw Booth – 1837- 1937' at St Mary's Church – date to be confirmed.

We would be grateful if residents could provide wood for the bonfire which can be dropped off on the playing field from 22nd October. Please take wood down to the bonfire area if you can, or leave it to the side of the track so as not to block the playing field gate and access to the site.

We had a total of 72 responses to our speeding survey and an overwhelming 97% of residents are concerned or very concerned about the speed of vehicles passing through the parish and therefore, we have submitted a grant funding application to purchase a SPID device.

GBPC's Chair and Vice Chair accepted an invitation to visit Pendle Police Station in September and were proud to be the first parish council to be given a tour of the new state of the art police facility and to get a first-hand insight into the operation there.

The visit included productive talks with PCSO Alan Fielding who spoke of speeding and anti-social driving being a top priority in Pendle. He was keen for us to make residents aware that any such concerns should be reported on the Lancashire Road Safety website at: **Speed Concern – Lancashire Road Safety Partnership** or by telephoning 101. There is also a Pendle Community Road Speed Watch Group planned, incorporating resident hand-held speed camera training – please contact clerk@goldshawbooth-pc.org.uk if you would like to be involved in this.

Finally, PCSO Fielding spoke of the effective partnership between the police and the newly established Neighbourhood Watch Group in Fence – is this something we would like to replicate in Goldshaw Booth? Please let us know.

Work is continuing with the development of our new village information boards and gateway welcome signs – we hope to share initial designs at the next meeting which is being held at St Mary's Church at 7pm on Monday 12th October – please come along!

BECCY MURRELL, CHAIR

Roughlee Parish Council

RFO Vacancy, Big Planning Changes, Neighbourhood Watch, Funds, Ice...

We will shortly have a vacancy for the role of Responsible Financial Officer as Jon Bailey has decided to step down. We are incredibly grateful to Jon for all his hard work and dedication over the last few years. The search is now underway for his successor. This is a paid role involving the management of parish council finances, typically requiring just a few hours per month. If you are interested or would like an informal chat to find out more, please speak to Martin or email Mary at clerk@roughlee.org.uk.

There will be a major change to how planning applications are decided to take effect from 31 October. At the moment, Pendle borough councillors meet at the monthly Barrowford & Western Parishes committee to discuss and vote on any disputed local planning applications. Parish councils participate in that meeting to represent local views, but have no vote. However, going forwards under new national rules, almost all applications will be decided solely by Planning Officers at Pendle Borough Council, completely removing the involvement of these councillor-led planning committees. Strong protections for the National Landscape area remain in place through the Pendle Local Plan, and local residents and the Parish Council will continue to submit written comments as at present. But it is a huge change, and we will be monitoring future decisions very closely under this new system.

On a related point, the planning application for two houses on the land between the Bay Horse and Old Hall Close is no longer due to be considered at the B&WP meeting in early October. Instead, Planning Officers are waiting for revised plans to be submitted, and they will make a final decision under the new processes outlined above.

PCSO Alan Fielding has approached us to gauge local interest in establishing a Neighbourhood Watch scheme in Roughlee. A similar scheme was recently launched in Fence, enabling residents to share crime prevention alerts, look out for neighbours, and coordinate directly with the police. If you have thoughts on this, please email Mary or come along to our next council meeting.

The long-debated Local Government Reorganisation for Lancashire (where Pendle BC and Lancashire CC were to be replaced) has now been "paused" by the government. As a result, current local government structures remain unchanged for the foreseeable future. Local elections will proceed as scheduled in 2027, with potential shadow elections in 2028 ahead of a possible Vesting Day in 2029. Please update your contacts for our Clerk – Mary can now be reached at clerk@roughlee.org.uk. We have also updated and published our website Accessibility Statement, Data Protection Policy and IT Policy on the village website.

Work at the Village Centre is progressing well. The new boules area, planters, and wildlife boxes are now complete, and work has commenced on phase two to replace a section of the roof and house the generator. This work has been made possible through the Pride in Place Impact Fund. Additionally, we have secured funding from Pendle Borough Council's Capital Grants scheme to install the new fencing and clear diseased trees surrounding the car park, so the whole outdoor area is looking excellent.

The Parish Council has also been awarded £2,900 from the Pendle BC Legacy Fund to deliver a project that creates a lasting positive benefit for the village. We would love to hear suggestions from residents across Roughlee on how best to allocate these funds. Please send your ideas to Mary at clerk@roughlee.org.uk.

Looking ahead to the winter months, we have received temporary ice hazard signage from Lancashire CC for the top and bottom of Jinny Lane. These will be deployed during cold spells to discourage drivers from following sat-nav routes onto the ungritted road.

On a final note, we've successfully collated all of the minutes from parish council meetings dating right back to 1945. To ensure these historic records are safely preserved and made accessible to researchers and local historians, they will shortly be formally submitted to Lancashire Archives.

Next PC meeting Monday 5 Oct, 7pm at RVC – all welcome.

SIMON C - VICE-CHAIR, ROUGHLEE PARISH COUNCIL

Roughlee Village Centre Village Centre upgrades, Día de los Muertos (7 Nov), Halloween, Christmas...

The autumn has arrived and the village centre outside area is looking revitalised. The green area now contains a boules court, bug house, communal raised planters and also birds nest and feeders with solar-powered online cameras. The area is a nature zone which is a great addition to the village which hopefully the school will use regularly, and it is hoped people come down anytime to use the facility. The Parish Council believes now that we have a bird sanctuary and children's garden area, a new

fence and gate was required to give the school and families a secure feel when visiting. No dogs will be allowed in future, for obvious reasons.

The fence in front of the centre has been replaced with a new oak panel fence with decorative top which is very striking on entry and trees with ash dieback disease were removed prior to erecting the new fence.

Future events at the centre are the change of the Witch Wines to the Día de los Muertos evening to be held on November 7th.

At Halloween the weekend before will see the village centre put up a show of scary figures and displays, with the Bay Horse putting on a big display and party.

The usual Santa lighting the tree and carols will be on Friday 4th December – details to follow. Our annual RVCC Xmas party will be held at the Bay Horse on Saturday 19th December with tickets available from Gillian Dawson. All details will be November's edition.

Pendleside Repair Café Sat 3 Oct at Barley Chapel - Mending, Making and Community Spirit

A huge thank you to everyone who has supported the Repair Café over the past few months. Our last event was really well attended, and it was lovely to be back at Barley Chapel following their summer of renovation works.

We've now repaired over 50 items, including lamps, jumpers, coffee machines and garden tools – what a fantastic achievement! So, if you have something at home that's broken, worn or in need of a little TLC, why not bring it along? Our wonderful team of volunteer

repairers love a challenge and will do their best to give your treasured items a new lease of life.

The Repair Café is a free, friendly community event, bringing people together to help keep useful items out of landfill, enjoy a cuppa, have a good natter and, of course, indulge in a slice of cake!

We meet on the first Saturday of each month, from 10.30am to 1pm, at Barley Chapel.

Our next Repair Café is on Saturday, 3rd October at Barley Chapel. We'd love to see you there!

New Faces Always Welcome!

Our Repair Café is all about community spirit, and we're always keen to welcome new people to our friendly team. Whether you have practical repair skills, enjoy sewing or mending, or would simply like to help with welcoming visitors, serving refreshments or keeping things running smoothly, we'd love to hear from you.

You don't need to be an expert – just bring your enthusiasm and a willingness to get involved. It's a lovely way to meet people, learn new skills and make a real difference in our community. If you'd like to become part of the team, come along to a Repair Café and have a chat with us. We'd love to welcome you!

Exciting news about our Saturday, 7th November event

We are delighted to welcome various guests including Pendle Patchers to our November Repair Café. A focus will be on how to reuse and repurpose materials and textiles – a lovely opportunity to learn some new skills and discover creative ways to reuse and recycle.

There's more to come, so keep an eye out for further details in the next Parish Newsletter.

Everyone is welcome – come along, bring something to repair, or simply join us for a cuppa, cake and a chat!

Notes from St Mary's October...

Fifteen to twenty years after Jesus rose from the dead a church was founded in a city called Colossae. The city was around 100 miles inland from what we now know as the southern Turkish coast. It was a Greco-Roman city and a major trade route and crossroads for Asia and Europe. It was a new city founded on a crossroads and there a church was established. It was a city that was not only on a trading crossroads but a cultural crossroad. To the east, Asia, to the west, Rome, to the north, barbarian lands, to the south and east, Persia. Each of these cultures had influence and power within the city. It was a melting pot of ideas and tensions between parties that each vied for power, influence and control. For the small church of perhaps 20-30 people this all must have seemed like their task was impossible. How could they make a difference against all these forces many of which were tightly bound to the worship and cultic practices that were diametrically opposed to the worship of Jesus Christ.

But as this church was founded and grew but over a number of years the pressures of the culture began to wear the church down. They were struggling against the competing pressures from the competing cultural and religious forces. There was a risk that they would simply disappear under the waves of influence and power of the ideologies and beliefs that swirled around their city. In an attempt to shore up this church the Apostle Paul wrote to them. His letter is found in the New Testament. The opening lines contain a prayer which ask that God would strengthen them with "**all power, according to his[God's] glorious might, for all endurance and patience and joy**" (Colossians 1:11).

In a place where powers were threatening, Paul reminds them who really has **all** the power. In a city where the church is finding it hard to keep going Paul reminds them of **all** the endurance and patience they can find from God and His glorious might. He goes on in the

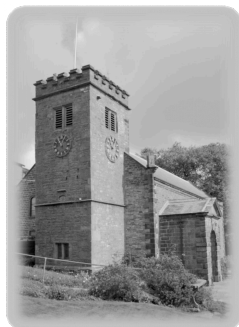

letter to remind them that the God who is glorious in might is Jesus Christ by whom all things were made and hold together (v16&17). So what? Well, our church of St Mary's was built on a crossroads. North, south, east and west met. When it was built the country was in turmoil and the church, across Europe was in the grip of the reformation where people began to reject the authority of popes and looked to the Bible as the source of ultimate authority. England had Henry the 8th on the throne. The church of England was just being established over the following years there would be bloody battles taking place as political and religious forces pressed in. Not only that but there was the influence of pagan worship too. Then there were the harsh realities of the weather in what was then a considerably colder climate. In many ways everything was pitted against the establishment of the 'New Church' Yet it was built and has stood for the last 500 years. Various powers have threatened to overwhelm in that time but none the less our church endures. It is, I believe a reminder to us that there is one who has 'all things' (Col 1:16) under his authority and still seeks to 'rescue us from the dominion of darkness' (Col 1:13) and 'bring us into the Kingdom of light' (Col 1:12). According to 'His glorious might' (Col 1:11).

St Mary's Church Services

Services this month

St Mary's is a friendly, active church with regular and accessible services. A warm welcome is guaranteed. All our services end with tea, coffee, a biscuit or a piece of cake and a chance to get to know each other better. Our services to the end of for October are considering the way God invites people to live distinct lives that reveal His love for the whole world and invite all things to know Him. We will be continuing to examine the book of Exodus where God establishes worship with people He calls to live out His mission to the

world. Through this series we hope that we too can find our place living out His mission for our community. Our services are as follows:

4th October 9:30am Morning Worship

Exodus 20:1-20 *'Life reflecting God's character'*

11th October 9:30 Holy Communion

Exodus 32:1-14 *'Disorder's effect'*

18th October 9:30 Harvest Festival – Family Service (See Posters)

Exodus 33:12-23 *'Seeing God's glory in the flesh'*

25th October 9:30 Holy Communion

Deuteronomy 34:1-12 *'To be continued...?'*

1st November 6pm All Souls Service

A service of prayer, healing and hope as we remember and give thanks for loved ones who have died and we have entrusted to God's care.

Alongside these services our sister church **St Thomas' Barrowford** is hosting the following events for the Benefice:

4th October 6:30pm Baptism Service

A service of baptism by emersion for members of our congregations who wish to take this step of Christian initiation. Do come and support these individuals as they take this important step.

20th October 7pm Confirmation Service with Bishop Philip

A service to welcome from the church to those who have decided to publicly commit to following Jesus and are seeking to enter fully into

the life of the church. Please speak to Nick if you would like to consider this step.

Barley Methodist Chapel

Harvest Festival (4 Oct), FOG Club, Indoor Car Boot (17 Oct), Dates for your Diary...

There is plenty happening at Barley Methodist Chapel as we head into autumn and winter, and we are delighted to see our chapel continuing to be a place where people of all ages can come together, enjoy friendship and be part of our community.

Harvest Festival Family Service Sunday 4th October at 11am

We are looking forward to celebrating our Harvest Festival led by Pat George.

This will be a relaxed and welcoming service for all the family, we are particularly pleased that some of our young people from FOG Club are taking part in the service. Our Harvest Festival is a wonderful opportunity to give thanks for all the blessings we have, celebrate our community and enjoy being together.

We would also encourage everyone who can to bring along donations of non-perishable food items. These will be donated to Church on the Street, helping support people and families in our wider community who may be struggling.

And, because we know our four-legged friends are very much part of family life too, furry friends are welcome to join us!

We hope you can come along and make it a really special family celebration.

FOG Club is Back!

We are delighted that our FOG Club has restarted after the summer break. The club continues to be a fantastic opportunity for our younger members of the community to meet, make friends, have fun and take part in a variety of activities.

It is wonderful to see the chapel full of energy and laughter again, and we are especially looking forward to seeing the children play their part in our Harvest Festival Family Service.

Indoor Car Boot Sale – Saturday 17th October

We are excited to be holding our Indoor Car Boot Sale on Saturday 17th October, from 11am until 3pm.

This is a new venture for the chapel and we are hoping it will become a regular monthly event, bringing even more people from the surrounding villages and local community into our lovely chapel hall.

We already have lots of stallholders booked, so come along, have a browse and see what bargains and treasures you might discover! There will also be plenty of refreshments available, including homemade cakes, pie and peas, tea, coffee and cold drinks. Why not make a morning or afternoon of it, grab yourself a bargain and enjoy some good food and friendly company?

All proceeds from the event will go towards raising funds for the next phase of essential maintenance work required to our chapel building.

The chapel has already benefited enormously from the support and generosity of our local community, and we are determined to continue looking after this special building so that it can remain at the heart of village life for many years to come.

Dates for Your Diary

Church Council Meeting – Sunday 18th October at 2pm

Church members are invited to join us for our Church Council Meeting at 2pm. This will be an opportunity for members to come together to discuss the plans, priorities and work of the church over the next 12 months, including how we continue to develop our chapel and serve our local community.

Remembrance Sunday – Sunday 8th November at 11am

We will be holding our **Remembrance Sunday Service at 11am**, led by our new Minister, **Rev Steven Donnison**.

We warmly invite everyone to join us as we come together to remember and give thanks for those who have served and sacrificed for others.

Children's Christmas Party – Sunday 13th December at 2.30pm

Our much-loved **Children's Christmas Party** will take place on Sunday 13th December at **2.30pm**. We are looking forward to another afternoon filled with Christmas fun, laughter and festive activities for the children.

Barley to Bethlehem – Sunday 13th December at 5pm

Later that same day, the village will come alive for **Barley to Bethlehem at 5pm**.

This wonderful community event brings the Christmas story to life around the village and is always a very special occasion. We look forward to welcoming everyone and sharing the Christmas spirit with our friends, neighbours and visitors.

Carols by Candlelight – Sunday 20th December at 6pm

Join us for one of the most special services of the Christmas season as we gather together for our **Carols by Candlelight Service at 6pm**.

Come along and enjoy traditional Christmas carols, readings and the beautiful atmosphere of the chapel lit by candlelight as we celebrate the Christmas story together.

There is lots to look forward to at Barley Chapel over the coming months, and **everyone is welcome**.

Whether you join us for worship, bring the children to FOG Club, enjoy a piece of homemade cake at the car boot, support our fundraising, or simply come along for a chat and some friendly company, we would love to see you.

Barley Chapel is a place for everyone — come along and be part of our community.

LORRAINE GOLDSBROUGH

St Mary's CE Primary School Start of a New Year

Learning in the infants is a true adventure this term! The classrooms are buzzing with excitement as pupils dive into the captivating story of the Titanic. In English, the children are blossoming through creative expression, exploring classic poetry like Rose Fyleman's Mice and crafting their own original rhyming couplets inspired by Hickory Dickory Dock.

In Science, young minds are coming alive as they use their senses to explore the world through hands-on indoor discovery and fresh-air outdoor play. Whether discovering nature outside or cozying up with a great book in the new learning den, curiosity and creativity are being nurtured every day.

It has been an action-packed half term for our Juniors! In English, pupils are following the adventures of Paddington Bear and are currently busy writing their own original scenes to add to his famous mishaps. In History, classes are delving into Tudor times to explore Henry VIII and the reasons behind his six marriages, while Science lessons have pupils comparing the life cycles of different species. Music lessons are back in full swing with children delighted to pick up their instruments again, and PE has everyone learning invasion games through netball. In RE, the focus is on Harvest as pupils explore how different World Faiths celebrate this special season.

School Life & Outdoor Learning

OPAL Area: Excitement is building in our outdoor OPAL area, where the children are currently hard at work building a house!

Gardening Club: Despite some rainy weather, the Gardening Club has made a fantastic start, and we are delighted to welcome Mr Rimmer and Miss Fallon to the team! The children have been busy tidying up, weeding, raking back, and clearing beds to make trenches for planting onions and crocus bulbs. A special thank you to Mr and

Mrs Nightingale for giving up their time to clear the area so the children could get planting.

Padiham Rotary Club: We were delighted to welcome representatives from the Padiham Rotary Club, who came in to induct our new student Rotary Members and speak to Years 5 and 6 about an upcoming writing competition.

School Photos: Jon from Memories Made visited us recently to take individual and sibling photos of all our students.

Celebrating Achievement

Congratulations to all our Wizards and Star Pupils of the Week! Our pupils have also been shining brightly outside the classroom. We recently celebrated achievements with certificates, medals, and trophies for swimming, street dance, gymnastics, and football (including our Football Trainee of the Week). Well done also to our Best Behaved Boy and Girl at FOG Club, and to the pupils attending new CrossFit sessions—it is fantastic to see them taking on new challenges, staying active, and having fun!

Clubs & Sporting Events

Our After-School Clubs have been a massive success this term:

Monday: FUNDA with Coach Andy

Tuesday: Football & Yoga

Wednesday: Archery / Axe Throwing, followed by Board Games

Thursday: Gardening Club

Friday: STEM Club

Our children recently had a fantastic afternoon at the Pendle Leisure Trust after-school cricket event hosted at Pendle Vale College.

Rotating through four mini-game stations focusing on fielding, bowling, batting, and catching, the children demonstrated brilliant teamwork, focus, and technique. Thank you to Pendle Vale College and the PLT team for a brilliant event!
